The question refers to payment of wages aggregating to Rs 104-8-0 to scavangers for periods of unauthorised absence in July 40 and March 41 The wages for the period were with-held in the first instance but were subsequently paid away by the President excusing

the absence There is no rule under which he is empowered to condone such unauthorised absence and when the payments made were placed under objection his action was ratified by the Council for the reason that it would cause hardship to recover the amount at this distance of time The leave rules promulgated in G O No L 5747-60/M1 160-35-15 dated 17-1-1938 contemplate grant of leave with allowances for periods of authorised absence only and periods of absence without permission necessarily entail loss of pay The same irregularity was noticed even in the accounts for 1941-42 The Government may pass such orders as they may deem fit in the matter

The rules quoted above admit the grant of leave on full pay for a period not exceeding one month on account of ill health The period of absence in each case under reference does not exceed one month, the longest time 17 days. It cannot be made out what the grounds were for the unauthorised absence.

The Presidency Circle and the DC recommend the cases to Govt for waiving the audit objection

which would be hard on the poor people if recovery of these amounts had to be made for arrears

Sir,

Audit Objection for the payments made to scavengers and sweepers for the days of their absence

I have the honour to state that the Assistant Comptroller, Mysore Local audit circle, in the audit notes of Hassan Town Municipality for the year 1940-41, has observed that payment of sums of Rs 27-6-0 and Rs 82-13-0 to certain sweepers and scavengers during the months of March 41 and July 1940 respectively is contrary to the provisions of Rule 300 (A) of the Municipal Accounts Manual i e, payments made even for the days of unauthorised absence of the menials during those months and to state as follows -

On the said objection the municipal Council in their meeting held on 30-6-43, have resolved to obtain sanction of Govt for waiving the objections, on the ground that it would be a great hardship to recove the amounts objected to from the menial servants a this distance of time

In the circumstances I request you to kindly obtain necessary sanction of Govt for waiving the said objections and to allow the payment as a special case in view of the utter poverty of these low paid servants

All the connected papers are enclosed for reference
